Use a smartphone camera to frame the QR Code, you can view the appropriate cards and take into account the environment.

En encadrant le QR Code avec la caméra d'un smartphone, il sera possible de consulter les fiches correspondantes, dans le plein respect de l'environnement.

Wenn Sie den QR-Code mit der Kamera eines Smartphones aufnehmen, können Sie die entsprechenden Karten unter Berücksichtigung der Umwelt anzeigen

Encuadrando el QR Code con la cámara de un smartphone será posible ver las respectivas fichas, respetando plenamente el ambiente

IT_ Raccomandazioni per il montaggio

Prima di procedere al montaggio, assicurarsi che tutti gli elementi siano integri e privi di vizi. Qualora risultassero danneggiate le parti, rivolgersi al rivenditore.

Ai fini di un corretto e sicuro montaggio, l'installatore e l'utente, per le rispettive competenze, sono tenuti ad osservare scrupolosamente quanto indicato nella presente guida tecnica.

La fattura di acquisto DEVE essere sempre conservata per la garanzia.

IN MANCANZA DI QUESTA, QUALSIASI RECLAMO NON PUO' ESSERE ACCETTATO.

IMPORTANTE:

Il montaggio deve essere eseguito da personale qualificato.

Verificare sempre che i fissaggi dati in dotazione siano compatibili con le pareti di fissaggio e che queste possano sostenere il peso dell'elemento sospeso. Archeda srl fornisce tasselli adatti a pareti in mattoni pieni, calcestruzzo, pietra.

ARCHEDA srl declina ogni responsabilità qualora fossero riscontrati problemi o vizi dopo il montaggio del mobile stesso.

EN_ Recommendations for Assembly

Before proceeding with assembly, ensure that all components are intact and free from defects. If any parts are found to be damaged, please contact the retailer.

For a proper and safe assembly, the installer and user, according to their respective skills, are required to carefully follow the instructions provided in this technical guide.

The purchase invoice **MUST** be kept to validate the warranty.

WITHOUT THIS, ANY CLAIM CANNOT BE ACCEPTED.

IMPORTANT:

Assembly must be carried out by qualified personnel.

Always check that the supplied hardware is compatible with the walls and that these can support the weight of the suspended element. Archeda srl supplies dowels suitable for solid brick walls, concrete, stone.

ARCHEDA srl declines any responsibility for issues or defects identified after the assembly of the furniture.

FR_ Recommandations pour l'assemblage

Avant de procéder à l'assemblage, assurez-vous que tous les éléments sont intacts et exempts de défauts. Si des pièces sont endommagées, veuillez contacter le revendeur. Dans le but d'un assemblage correct et sécurisé, l'installateur et l'utilisateur, selon leurs compétences respectives, sont tenus de suivre scrupuleusement les instructions fournies dans ce guide technique.

La facture d'achat **DOIT** être conservée pour valider la garantie.

SANS CELA, LA RÉCLAMATION NE POURRA PAS ÊTRE ACCEPTÉE.

IMPORTANT :

L'assemblage doit être effectué par un personnel qualifié.

Toujours vérifier que le matériel fourni est compatible avec les murs et que ceux-ci peuvent supporter le poids de l'élément suspendu. Archeda srl fournit des fixations adaptés aux murs en brique, béton, pierre.

ARCHEDA srl décline toute responsabilité en cas de problèmes ou de vices constatés après le montage du meuble.

DE_ Empfehlungen für die Montage

Vor dem Beginn der Montage stellen Sie bitte sicher, dass alle Elemente intakt und frei von Mängeln sind. Falls Teile beschädigt sind, wenden Sie sich bitte an den Händler.

Um eine korrekte und sichere Montage zu gewährleisten, sind der Installateur und der Benutzer, entsprechend ihrer jeweiligen Kompetenzen, verpflichtet, die in dieser technischen Anleitung angegebenen Anweisungen sorgfältig zu befolgen.

Die Kaufrechnung MUSS aufbewahrt werden, um die Garantie zu validieren.

OHNE DIESES KANN KEINE REKLAMATION AKZEPTIERT WERDEN.

WICHTIG:

Die Montage muss von qualifiziertem Personal durchgeführt werden.

Überprüfen Sie immer, ob die mitgelieferte Hardware mit den Wänden kompatibel ist und dass diese das Gewicht des hängenden Elements tragen können. Archeda srl liefert Dübel, die für massive Ziegelwände, Beton, Stein geeignet sind.

ARCHEDA srl lehnt jegliche Verantwortung ab, wenn nach der Montage des Möbels Probleme oder Mängel festgestellt werden.

ES_ Recomendaciones para el montaje

Antes de proceder al montaje, asegúrese de que todos los elementos estén intactos y libres de defectos. Si las piezas están dañadas, póngase en contacto con su distribuidor. Para garantizar un montaje correcto y seguro, el instalador y el usuario, por sus respectivas competencias, deben observar escrupulosamente lo indicado en esta guía técnica.

La factura de compra DEBE conservarse siempre para validar la garantía.

A FALTA DE ESTA, CUALQUIER RECLAMACIÓN NO PUEDE SER ACEPTADA.

IMPORTANTE:

El montaje debe ser realizado por personal cualificado, provisto de un equipo adecuado, capaz de garantizar una instalación "en regla de arte". La inexistencia de este requisito prejuzga cualquier forma de garantía.

Compruebe siempre que las fijaciones suministradas sean compatibles con las paredes de fijación y que éstas puedan soportar el peso del elemento suspendido. Archeda srl suministra tacos adecuados para paredes de ladrillo macizo, hormigón, piedra.

ARCHEDA srl declina toda responsabilidad si se encuentran problemas o defectos después del montaje del mueble.
